7. PLAGIARISM AND COPYING

SRISA severally condemns ignorant plagiarism and copying during examinations. Any student that makes use of words or ideas taken from another person's work without properly citing credit for the specific purpose of deceiving their professor will receive an automatic "F" on that assignment or exam. Should the offense be repeated, the student will receive an automatic "F" in the class. Students utilizing the strategy of appropriation in a work of visual art for political, religious or social reasons may do so. It is fundamental that students pursuing strategies of appropriation understand that in the United States *fair use* allows them to copy copyrighted material for a limited and "transformative" purpose. Given the complicated nature of how artists utilize appropriation in the 21st century, SRISA students are required to discuss ideas regarding fair use and copied imagery with their professors before turning in their assignment.

8. CRITIQUES

Critiques are friendly group discussion of each student's course work. They allow you to see your own work through the eyes of your peers and instructor, and also encourage you to develop critical insights about your work and the work of others.

9. ATTENDANCE AND BEHAVIOR POLICY

Students should attend all classes if they are healthy and able to come to class. Students who miss more than 1 class will have their final grade lowered by one letter grade for each additional absence. For example, if you have an "A" in this class and you are absent 3 times you will receive a "D" in the course. If you are absent more than 3 times you will receive an "F" on your transcript.

- Tardiness: After 20 minutes into class time, students are considered absent.
- Students who leave 20 minutes before class time ends will be considered absent.
- Excused absences require a doctor's note or a written note from the Director.
- Arriving in class unprepared to work is considered an unexcused absence.

Students are expected to participate in class, act responsibly, and behave properly while on the school premises. Classrooms are to be left in order and clean. Students must take care of equipment and materials and promptly report any damage and/or loss.
