Together with the historiographical approach, a basic introduction to some key theories on art will be provided. ## LEARNING ACTIVITIES AND METHODOLOGY

The course includes both in-class sessions and visits to Madrid museums.

The in-class sessions will consist on lectures, debates and the discussion of art works.

The visits include the Museo del Prado, the Museo Nacional Centro de Arte Reina Sofía and eventually some other museum or a Madrid tour. This out-of-class sessions take place in Madrid, so students should make sure their previous class finishes at least 30 minutes before this one so they have enough time to make it there. Given the restrictions due to the COVID-19 pandemic, it may be necessary to split the groups in two for the museum visits. Therefore it is also advisable not to enrol in other classes that start right after the end of this one, as the split visits may imply finishing a bit later than usual. However, this only affects around 5 sessions.

## ASSESSMENT SYSTEM

Students are expected to do two assignments and take a final exam.

The first assignment will be a brief pitch presentation on a work of Spanish art.

The second assignment will be a group oral presentation comparing two works of art from different periods, styles or artists.

The final exam will include a multiple-choice test and the analysis of images.

The final grade will be made up of the following percentages:

- Individual presentation: 20%
- Group presentation: 30%
- Final exam: 50%

In-class participation will impact the final grade.

IMPORTANT: Class attendance is mandatory. Under C3IS regulations (<https://www.uc3m.es/C3IS/SAP/en>), unjustified non-attendance will affect negatively the final grade as follows:

- A second unexcused class absence reduces the final grade by 0.3 points.
- A third unexcused class absence reduces the final grade by 0.5 points.
- A fourth unexcused absence implies the student does not pass the course. The student may however continue to attend class if he/she wishes to do so.
