<b>Module Description</b>	This is a refresher course aimed at students who have studied French in high school or at university level. The course also aims to allow the false beginner to reinforce the basics already learned and to improve the student's oral and written expression.
-------------------------------	--

<b>Module Learning Outcomes</b>	<p>Following this course, students will be able to :</p> <ul style="list-style-type: none"> <li>- Introduce themselves and their family and friends</li> <li>- Express an opinion</li> <li>- Make precise descriptions</li> <li>- Report an event</li> <li>- Express themselves in the future tense and outline future projects</li> <li>- Use the comparative form</li> <li>- Understand French cultural traits and compare themselves with fellow students</li> </ul>
---	---

<b>Teaching Method</b>	10 classes of 3 hours, once a week. Each class will contain 20 or so students. This course will use a mixture of traditional teaching methods, as well as work in pairs and group work. Course teachers will use textbooks based on modern communicative teaching methods. Additionally the course teacher will use practical documents such as newspapers, magazine commercials , billboards, etc. thus enabling the student to better integrate and grasp the French culture.
----------------------------	---
